- Receive preferred Insurance rates with Hagerty Insurance.

...or go for a boat ride with other members and
make a splash!

a little about the club ...

Founded in 1979 by a small group of Century boat owners in the Chicago area, the club has members across the United States and Canada.

Club members promote the preservation and use of classic and antique boats especially those manufactured by the Century Boat Company.

The first Century boat was made in 1926. The most popular decade of club member Century boats is the 1960's. The last wooden Century boat was made in 1968. Many modern Century boats are also in the club.
